ED CELL CONSOLIDATED REPORT

ED Cell of our college has gained tremendous success in all its endeavors in trying to inculcate entrepreneurial skills and attitudes among all students of the college. Every year it hosts a number of events to provide basic training to students willing to take up entrepreneurial ventures in the future. ED cell activities have always instilled interest among students due to dynamic nature of the activities conducted and their practical prospects in the future. The most popular event being M.O.P Bazaar that is a two day, student run exhibition where students sell plethora of products and services to the general public. Apart from the bazaar, other activities too have received a positive response, e.g. 123 GO, Skill course training etc. In the past three years the ED cell has strived to maintain the high standards set by it and constantly works to introduce innovative and dynamic activities for the students to enjoy and learn from.

In the academic year 2013-14, the ED Cell promoted different styles and dynamics of entrepreneurship to make way for young entrepreneurs to innovate and establish their enterprising thoughts as well as actions. After a brief **orientation** by our head to the fresher's a membership drive was organized to encourage students to take up entrepreneurship as a feasible career option. Further, a **skill training program** was organized for the second year students to develop entrepreneurial skills. For the third year students, an intensive entrepreneurial training program called '**KICK START YOUR VENTURE**' was organized in order to materialize entrepreneurial ideas to be executed by the students. It was attended by 900 students who experienced simulation of business environment.

The intercollegiate business plan competition '**123GO!!**' saw 40 teams from various city colleges presenting plans on industries like agriculture, education, infrastructure and logistics, and social entrepreneurship. Apart from the regular **campus stall programs** held by departments during June-September, **M.O.P. Bazaar** was organized on 22nd and 23rd February that saw a footfall of around 10,000 people and 92 stalls earning a profit of around 7.9 Lakhs. In both the events students offered an assorted potpourri of products and services ranging from food items to nutrition consultation and palmistry centre. Other events were as follows:
