**FIELD VISIT REPORT**

As a part of our curriculum, students get to visit industries that impart a practical insight into the workings of an organization. These visits provide the students an opportunity to reflect on their in-class learning and connect those with the real world and end up gaining new perspectives.

**FIELD VISIT**

Event Title	Industrial Visit
Date	7.02.2020
Topic	Logistics & Supply Chain Management
Place of Visit in collaboration with	PSA CHENNAI – Chennai Port Terminal
No. of Participants	43 Students – I M.Com

Objective of the visit:

To gain practical Knowledge on the various aspects of Logistics & Supply Chain Management

Visit Outcomes:

The students gained knowledge on the ways in which inventory are maintained, the tools used for moving the goods.

Visit Overview:

Students were given an overall tour of the port, witnessing the terminals, loading & unloading operations from cargo vessels. They were given detailed overview of the operations of containers, planning of space requirements, inspection etc. The required safety and quality aspects in handling materials were explained in detail. They were given exposure about various import & export procedures.

**FIELD VISIT**

Event Title	Industrial Visit
Date	9 <sup>th</sup> February 2018
Topic	Logistics & Supply Chain Management
Place of Visit in collaboration with	Hatsun Agro Product Ltd., Karapakkam, Chennai
No. of Participants	38 Students – I M.Com

**Objective of the Visit:**

To gain practical Knowledge on the various aspects of Logistics & Supply Chain Management

**Visit Outcomes:**

The students gained knowledge on the ways in which inventory are maintained, warehouse maintenance, Packaging, Quality check & control & their Logistics functioning

**Visit Overview:**

M.Com had organized a visit to Hatsun Agro Product Ltd., Karapakkam, a dairy company with business-to-farmer as well as business-to-consumer operations for the M.Com I Year students on 9<sup>th</sup> February 2018. The visit enabled the students to understand various aspects relating to production and packing of Dairy products.

The industrial visit commenced with a multimedia presentation about the products produced by Hatsun Agro Product Ltd. The students visited the factory accompanied by the facilitators who explained the entire production process to the students. The students had the opportunity to get direct exposure to the following aspects:

- Production & Packaging
- Quality Check & control
- Automation in their working Process
- Effectiveness of their Logistics System

The students raised various queries relating to the above aspects and the facilitators clarified all the doubts. The students spent their quality time in exploring the production, packaging and logistics related activities of Hatsun
