NSS special camp, themed SURAKSHA was conducted at Thiruverkadu from December 17th to 23rd 2018. The six-day camp was inaugurated by Dr. Baskaran, NSS coordinator, University of Madras. Various activities were organized including health camp and temple cleaning. A socio-economic survey was conducted. Competitions were organized for the volunteers as well as the community people. They were taught to make accessories and cloth bags. Students visited Udhavum Karangal and spent a few hours with the inmates and donated materials collected as part of college's initiative, Pagir. The camp focused mainly on environmental awareness. Medical camp was conducted for the community people. Temple cleaning and tree plantation were among the other activities done by the volunteers.

Day 1 - NSS Volunteers were divided into four groups and went to four different areas to meet people and interacted with them. This interaction helped understanding the general issues that the community faces.

B.COM ACCOUNTING & FINANCE

Education is moving from darkness to light. The 52nd International Literacy Day was celebrated on 8th September 2018. On this account, the MINISTRY OF YOUTH AFFAIRS (B. Com Accounting & Finance Shift 2) of M.O.P Vaishnav College for Women (Autonomous) came up with the initiative of collecting the stationery from various departments to enlighten the lives of the underprivileged children. The primary school students and the middle school students of M.O.P School and Chennai High School were provided with stationery and notebooks required for their age which included pens, pencils, erasers, sharpeners, scales, crayons and geometry boxes. The Ministry divided itself into 2 active groups and enthusiastically distributed the stationery and notebooks to the students. The million-dollar smiles and their welcoming gesture made all the efforts worth it. It was surprising to learn how a small contribution by our college could make a remarkable difference in the lives of so many students. Education is the most powerful tool that can help to change the world and we feel blessed to have been given this opportunity to help these students to have a brighter future.
