We will keep the source of information confidential and will take immediate and appropriate action in this regard.
- Please note that the admission process will commence only after receipt of instructions from the University of Madras and Tamil Nadu State Higher Education Council. Usually, this is dependent on the declaration of results of the State Board Examinations (Higher Secondary School results of Tamil Nadu)

Please note that the only mode of payment of fees is through online (Credit and Debit Cards and other modes of payment through a payment gateway) and we request you to make adequate and appropriate arrangements well in advance.
- We enclose a list of documents required to be uploaded. The acceptable formats and maximum size of the files are also indicated. Please ensure that the documents to be uploaded comply with these requirements to avoid delays at the time of acceptance of admissions.
- Please note that the admission, when offered, will be provisional and will be confirmed only after the payment of fees and subject to the uploading of documents as per Annexure 1 in accordance with rules and regulations of the University of Madras and Tamil Nadu State Higher Education Council.

Dear Varsha,

I am pleased to announce that you have been accepted for enrollment into the Master of Fine Arts program in graphic design and visual experience at the Savannah College of Art and Design, with required additional intensive coursework. Congratulations!

Please see the enclosed course of study to complete your Master of Fine Arts program, including the graduate intensive coursework of up to 25 additional hours (5 classes). This assigned intensive coursework increases the number of courses required to complete a degree program. This program provides a bridge for academically qualified graduate students who need additional practical skills, contextual knowledge and studio work in order to prepare for the rigorous specialized disciplines offered at SCAD.

This acceptance is valid only for the major indicated. In order to change degree or major program, students are required to meet all admission requirements for the new program. All students are required to submit a final transcript prior to enrollment. Acceptance to SCAD may be withdrawn if final coursework or transcripts fail to meet admission criteria.

Students whose first language is not English may be required to take English as a Second Language classes at SCAD before progressing into their intended course of study. An English placement test is administered at orientation to determine placement. If assigned, ESL classes are intended to improve English proficiency and increase student success in academic courses. Taken in addition to the student's degree program, ESL classes usually extend the length of study at SCAD.

You can take the next steps to secure your enrollment online at www.scad.edu/enrollfee. Please contact your admission adviser if you have any questions. Best wishes as you further your education at SCAD.
