**REPORT:**

Around 1,300 students of M.O.P. Vaishnav College for Women came together to observe the International Day of Yoga on June 21, 2018, at the University Union Grounds, Chetpet, with a coordinated set of yogasanas.

In the Yoga Day celebration held by M.O.P. Vaishnav, in association with the University of Madras, the white-clad students, arranged in disciplined rows, invoked the spirit of yogic practice to carry out the well-synchronised routine.

"It is nice to see that yoga is getting more popular, and more youth are getting attracted to yoga," said Prof. P. Duraisamy, the vice-chancellor of the University of Madras, in his opening remarks.

Dr. Lalitha Balakrishnan, Principal of M.O.P. Vaishnav College for Women, noted that yoga had been included on the Intangible Cultural Heritage list maintained by the United Nations Educational, Scientific and Cultural Organisation (UNESCO). "I'm proud as an Indian that yoga has found a place there," she said.

June 21 was declared as the International Day of Yoga by the United Nations General Assembly in 2014, after a resolution introduced by India received broad support from member countries. Since 2015, June 21 every year has seen yoga enthusiasts coming together to reaffirm their dedication to the practice, which is said to have positive effects on mind, body and spirit.

### **REPORT:**

M.O.P. Vaishnav College for Women has always been committed towards the cause of empowerment of women by promoting sports and fostering top-ranking players for the nation, thereby carving a niche for itself in the arena of sports.

*To provide a platform for budding sports players, M.O.P. is launching a state-level inter-school athletic meet for girls. The inaugural edition was held on the 7<sup>th</sup> and 8<sup>th</sup> of January, 2019 at Jawaharlal Nehru Stadium in Periamet, Chennai.*

Events will be conducted in two categories: senior and super-senior.

The objective of conducting this athletic meet is twofold: one, to provide exposure to students from semi-urban and rural districts and spread awareness about the opportunities awaiting them here at M.O.P; and two, to convert prospective medal-achieving sportswomen and athletes into medal achievers.

M.O.P.'s sports students are known to bring laurels to the college, state and nation. Over the years, many of them have also been recognized with awards by Tamil Nadu Chief Ministers. The institution's coaches are also known for their dedicated and intensive training.

M.O.P. strives to bring in athletes from various districts and mould them into national and international medalists. Our achievers include Asian Games medalists like Sunaina Kuruvilla in Squash and Varsha Gautham in Sailing.

M.O.P. aspires to be a stepping stone for every sportswoman, and is the first college to organise a state-level inter-school athletic meet.

From general instructions to showing the models they themselves made, it was a fun and interactive session for the 1<sup>st</sup> years as they could take back a lot of tips and tricks that they could use themselves while making their models.

The Eighth edition of MOP Model United Nations 2019, much like its predecessors has witnessed extraordinary debate. This edition saw the introduction of newer councils, with delegates representing a significant political leader rather than a country. It was held on the 1<sup>st</sup> and 2<sup>nd</sup> of March 2019 in the M.O.P. College premises with the slogan of the event as - Connect. Confer. Change. The Inaugural session had Mr. Vinod Surana, of Surana and Surana, International Attorney at law, who spoke about diplomacy and imparted a few lessons he had picked up during the years as a diplomat. The deliberations were focused on matters such as the international conference for finance and development. The international press, a body of journalists submitted written pieces, documenting every minute of every council. A press conference was conducted on day two, where the reporters interacted with the delegates through potent and sharp questions directed towards them; a key indicator of a skilled reporter. Over 141 delegates, engaged in forceful and tactical deliberations over the two days and the event concluded with the Valediction and Prize distribution.

**CHINMAY CLUB - World Suicide Prevention Day, 10th September 2018**

Department of Psychology celebrated World Suicide Prevention Day on 10th September 2018 by organizing inter-departmental competitions. The competitions include Du Coeur- Poetry, Doodle on a cup, and Vent-it-Out. A movie also was screened, following which the prizes were distributed to the winners.

Sunday, 10th of September 2018 was celebrated as World Suicide Prevention Day. In order to celebrate responsibly, the Department of Psychology had organized a series of inter-departmental events for their fellow students. The key motive of this day was for individuals to speak up and gain awareness on suicide. To honour that, the department had organized an oratorical competition known as “Vent it Out” that provided the students a platform to talk about their personal experiences or present basic facts about suicide prevention. The department had also organized poetry writing completion for students known as “Du Coeur” where students were asked to submit their writings on the topic ‘Hope’. Finally, we had organized an event for our fellow artists “Doodle on the Cup” where students from various departments had to make posters and explain the concept behind each sketch.

**Chennai - 600 034, India.**

**Objective of the Programme:**

- To celebrate and honour Women worldwide
- To empathize with these deeply personal accounts of women

**Programme Brief:**

December 12, 2018: Monologue on Women by Women: The project was a novel initiative where students were trained to read monologues on women by women on various issues concerning discrimination creating a new conversation about and with women. The performances delivered powerful themes of escape, determination, and catharsis via unique stories to empathize with these deeply personal accounts of women. The presentation style, which we might even call a genre of theatre, was minimalistic, where the actor is sole and complete. The setting was intimate; the tone was chatty, while the portrayal is one of controlled emotion. The actor has none of the usual supports systems such as costumes, makeup, props, sound or light effects. She spoke in the first person singular and an entire universe is created with just the actor's voice and a few gestures. The monologues served as a reminder for women who hear the stories to know that they are not alone in their own experience.

**Programme Outcomes:**

- Students learnt about the cathartic power of theatre as a medium for women's voice.
- Students discussed about gender balance and learnt the importance of healing through stories

**Resource Person Profile:**

Geetha.lakshman, with her love for words and images, she is actively involved in theatre. N S Yamuna is a founder trustee at Tejaswi, Theatre for Self-Expression, and has been an all-rounder in Theatre since her school days
