A number of things were made very clear in the United Nations Summit on Sustainable Development held in 2015, namely that Mother Earth was not far enough and there was a need for immediate action, which was why it announced 17 sustainable development goals and 169 objectives to which we in this world work as responsible and grateful inhabitants.

The event's objective is to throw light on these Sustainable Development Goals, also known as the Global Goals, which were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity.

PROGRAMME BRIEF:

This event bridges the gap between nature, the future and mankind through this event and serves the key purpose of spreading awareness among the future leaders of the world: aka - us. PROGRAMME OBJECTIVE:

- To provide tremendous exposure in interpersonal skills, team spirit, time management, team coordination and delegation.
- To encourage participation and enthusiasm among the students to take up the initiative and expose them to real-world scenarios.

PROGRAMME BRIEF:

Luminescence is the intramural cultural fest of the Department of Commerce Accounting and Finance (Shift II). The event was conducted on 25th & 26th October 2021 consisting of 12 events. The event was conducted using the online platform, Google Meet. The team events were Lawyers Up, Pitcher Perfect, Meme Prodigy, Premium Rush, Survival Surge, Trolley Forward and Neurothon while Marketkshetra, Chalk and Cheese, Razzmatazz, Dunkirk and Corporate Fashionista were the individual events.

Marketkshetra:

This event comprised three rounds. In the first round, the participants attended a quiz relating to the stock market and trading. In the second round, participants engaged in share trading at the online simulation secondary market. Followed by which, in the last round, Sectors Showdown, the participants presented their future views to the judge using a presentation. This event trains the participants to make profitable investments within a speculated period.

Chalk & Cheese:

The event comprised two rounds. In the first round, participants were given a topic on the spot and had to start off by speaking for the motion. Participants had to reverse and return to the original motion when the moderator said block and tackle accordingly. In the second round, participants were to create their own story according to the moderator's instructions.

Lawyers Up:

The event consisted of three rounds. In the first round, teams were given a case in advance and one participant proved her stance in favour of the case and the other against it. The second round was a rebuttal session, and the third was a judge's questioning round.

M. O. P. VAISHNAV COLLEGE FOR WOMEN (AUTONOMOUS)

Chennai - 600 034, India.

Pitcher Perfect:

This event consisted of a single round. The participants were to pitch their business idea in the form of a proposal to the judge and were required to convince them about the same.

Meme Prodigy:

The event, Meme Prodigy - Meme Creation, was the first of its kind in Luminescence. The students digitally designed two memes (either in a picture or video format) in exactly 30 minutes with the topic given on the spot.

Razzmatazz:

The event, Adzap focuses on the constructive ways an individual can advertise a product. It brings out the spontaneity, marketing and communicative skills of students. Each performance was followed by a Q&A with the judges.

Premium Rush:

The event comprised three rounds. In the first round, participants were to answer the picture-based clues presented on the screen. In the second round, each team was given two words along with a dangerous word to guess. The third round was a surprise round in which the participants were given clues to guess a famous personality or an International Government Organization.

Dunkirk:

This event allowed students to experience the corporate scene in 2 rounds. In the first round, participants took part in group discussions. Shortlisted participants moved on to round 2, stress interviews with the judge.

Survival Surge:

The event, Survival, focuses on the constructive ways a team can solve the problems faced by large enterprises. The participants will be given a case study of a business. As a part of the core management team, the participants will be expected to come up with solutions for the problems faced by the enterprise. This was followed by the round, Two Truths and One Lie, in which participants were given 3 business situations, in which one event was false.

Corporate Fashionista:

The event, Corporate Fashionista, falls on the creative part of Luminescence. The topic for the event was given on the spot for the participants. The given topic was Desi Corporate look. And once this round was over, we had a surprise element waiting for them. The surprise element was to create any sort of accessory like Bags, Shoes, Suspenders, etc, which was corporate worthy.

M. O. P. VAISHNAV COLLEGE FOR WOMEN (AUTONOMOUS)

Chennai - 600 034, India.

Trolley Forward:

This event was an opportunity for the students to express their photography and videography skills. The participants submitted a video along with 3 photographs of the product allotted to them, with the liberty to use any device for shooting.

Neurothon:

Neurothon was a surprise event in which the rules of the event were given on spot. This event is a combination of a Treasure hunt and an online escape room. This event consisted of 4 rounds: Avengers Assemble, Insignia, Brainiac and Vortex. In round 1, the participants were given an online quiz that consists of 10 questions. In round 2, the participants were presented with Logos, business taglines and mascots of brands and were asked to guess them. In round 3, the participants were presented with 10 brain teasers to solve and in the final round of the event, the participants were given 2 tasks that involved the application of their web surfing skills as well as company law.

The Core Committee of Luminescence was responsible for planning and organising the programme along with the support and guidance of the teachers. The event coordinators were a great pillar of support by engaging with the participants and ensuring the smooth flow of events. Students from all three years went on to actively participate in the events and secure the top three places.

The overall winners of Luminescence were III B. Com (A&F) Batch 3 and the Miss Luminescence title was bagged by Sneha M of III B. Com (A&F) Batch 2.

PROGRAMME OUTCOMES:

- The programme, being within the department, led to maximum involvement of students wherein everybody got a chance to showcase their talents through participation in various events and taking up leadership and organisational roles.
- It created an aura of excitement and interest in the realm of accounting and finance among the students.

EVENT DESCRIPTION:

MINDHUNTER:

The first event of the day was a Quiz based on Branding and Marketing. A preliminary round was conducted on 27th October 2020 where participants took a proctored quiz on Google Forms. Eight participants qualified for the finals. The finals were conducted on 31st October and Ms. Sruthakeerthi, an alumna and former President of Kotlerz Klan was the quizzier. The final eight battled out in rounds that tested their knowledge in Logos, Brand History, and Subsidiaries of brands. The event was a crowd favourite as it brushed up the knowledge of the participants as well as the audience.

THE VOICE:

The Theme of this event was "My Lockdown Story". The students were given a platform to share an entrepreneurial venture that they nurtured during the lockdown. The participants also shared stories of how they served their community in these trying times. Ms. Swetha Kannan, an alumna, and former President Kotlerz Klan judged the event.

Participants brought out fascinating ideas, from Thrift Stores and Art Pages on Instagram to Home Made Chocolates. They also revealed the motive behind starting the venture and how it helped them during the lockdown. Mr. Kannan illuminated the participants with insights on how they can scale their ventures in the future and make it a sustainable business.

BACK TO THE FUTURE:

The theme of this event was Nostalgia Marketing. Participants working in a team of two created an advertisement for iconic products that had been discontinued from the market - Game Boy, Hit Clips, Orkut, Amazon Fire Phone, etc. which were discontinued back in the 90s.

The judge for the event was Mr. Utsav Jain, Founder, and CEO of UNIBREAKERS and Co. During the event, all the advertisements created by the participants were played and they also explained features of the product that could make the product come back. The judge gave his feedback to each participant. Not only the participants but also students present at the event gained valuable insight about creating advertisements that attract and intrigue the audience with short attention spans. Participants also learned about old and extinct products which still hold fond memories to many.

THE INFLUENCER:

The theme of this event was Stealth Marketing. The participants were given a celebrity and a product on the spot. Like the celebrity, participants endorsed the given product. The participants had 1 minute to prepare and 2 minutes to present. The judge for the event was Ms. Vasantha, a former staff member of the Department, currently pursuing her MBA from NIT Trichy. During the events, all the participants tried their best to get into the character or celebrity which was given to them. Some tried to mimic and use similar words and slang of the celebrities while some through acting and facial expressions. After every participant's presentation, the judge asked a few participants to sing a song if the celebrity which was given was a singer. The judge also asked questions which had tested the participant's knowledge about the celebrity and also the product.

BLUEPRINT:

The participants working in teams of three created a business plan for a fictitious product that comprises its Market Entry Strategy, Marketing Plan, Capital Funding, etc. With 17 teams registered, this event saw maximum participation that day. Blueprint was judged by Ms. Supraja Ashok, an alumna and two-time winner of the Miss KK title. The teams pitched their Business Plan and took questions from Ms. Ashok about the funding, target customers, and the feasibility of the idea. Some of the ideas pitched included a mammography kit, a fitness brand, and custom pet services. Ms. Ashok enlightened the participants with insights on the Ideation of a venture, pitching the venture to prospective investors, and the application of Digital Marketing.

BRANDWAGON:

The participants created a static social media post relating to topical or viral news. The participants were given a brand and a trending theme. Based on the two topics given the participants had to create a meme/illustration/GIF and had to represent them in a creative and innovative way in line with the theme, Moment Marketing. The judge of the event was Nisha.M, Assistant Professor, Department of Commerce (Marketing Management). To mark the occasion, the Saarasvatha Samiti, the Sanskrit Club, conducted three competitions – Poster Making, Gita Chanting and Shipwreck. The Chief Guest of the day was Dr. N V Devi Prasad Sharma, Former Principal, Madras Sanskrit College. He addressed the audience for about forty-five minutes on the theme “यन्नेहास्तिनतक्वचित्” and how it applies to both the Mahabharata and Sanskrit. He touched upon the various Vedas, Vedangas and Shasthras that talk about various arts and sciences. These texts prove that Indian scientists and philosophers were much ahead of the West. The lecture was extremely informative, and the students were able to understand the greatness and the beauty of Sanskrit.
