Procedure for preparing MOP News

- Select student reporters and editors based on performance in reporting, writing, photography and editing functions in their practical papers in the first and second year of journalism.
- Identify college-level events to be covered for the newsletter.
- Depute student reporters to cover the events.
- After perusal by faculty advisor, the copy and photographs are passed on to the newsletter editor for editing.
- For other news, two weeks before scheduled publication date, all departments are requested to send in brief reports and photographs of department events, student achievements, etc.
- The reports are compiled and edited down to the size by the student editor.
- The edited copy is placed in layout by the design editor.
- Proof-checking and fact-checking are carried out by the student editor with the guidance of the faculty advisor, and then sent to the Principal for a review.
- Upon approval, the newsletter is published on the college website and displayed on the college noticeboard, thus informing the student community, faculty, as well as other stakeholders about notable events in the college, and achievements of the college, and its students and staff.
- Copies are also despatched to members of the board of governors of the college to keep them apprised of college activities and progress.
- Soft copy of newsletter to be uploaded on website
