PRASTAVANA-Orientation Programme for First year UG students

Date	Title of the Programme
02.07.2018	PRASTAVANA-Orientation Programme for First year UG students

Objectives of the Programme:

- To orient the students about attendance, code of conduct, semester patterns, CBCS, outcome based education , evaluation mechanisms, activities and student clubs of the college
- To make the students feel comfortable with the new environment
- To inculcate the ethics and culture of the college

Programme Brief:

It is an orientation programme for the Under Graduate first year students. This encourages them and helps them in getting socially integrated with the college culture. In the early few weeks of the college itself, a student will be able to discover her interests in any of the college activities other than the mainstream course.

Programme Outcomes:

- Orientation helps students get their attitude right as best suited for the new place
- Campus maps, guided tours in the campus allow them to physically get apprised of the college interiors so that they do not find themselves lost.
- Orientation programmes are the best platform for the new students to get a total overview of what the college has to offer
