"Sustainable development is development which fulfils current demands without jeopardising future generations' ability to satisfy their own needs." A number of things were made very clear in the United Nations Summit on Sustainable Development held in 2015, namely that Mother Earth was not far enough and there was a need for immediate action, which was why it announced 17 sustainable development goals and 169 objectives to which we in this world work as responsible and grateful inhabitants.

PROGRAMME OBJECTIVE:

The event's objective is to throw light on these Sustainable Development Goals, also known as the Global Goals, which were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity.

PROGRAMME BRIEF:

This event bridges the gap between nature, the future and mankind through this event and serves the key purpose of spreading awareness among the future leaders of the world; aka - us. We find the burdensome task of reversing decades of pollution and mistreatment of Mother nature in our hands. The program incorporated 17 events like Quiz, Vision board, Elocution, Comic making, Balancing act, Recipe making, Incredibowl, Reel making, Digital poster, Product Plan, Panel Disussion, Photography, Monoacting, Slogan writing, RJ script, JAM, and video making.

PROGRAMME OUTCOME:

The event served as an eye opener on UN sustainable goals for both the participants and the organizers.

"Sustainable development is development which fulfils current demands without jeopardising future generations' ability to satisfy their own needs." A number of things were made very clear in the United Nations Summit on Sustainable Development held in 2015, namely that Mother Earth was not far enough and there was a need for immediate action, which was why it announced 17 sustainable development goals and 169 objectives to which we in this world work as responsible and grateful inhabitants.

PROGRAM OBJECTIVE:

The event's objective is to throw light on these Sustainable Development Goals, also known as the Global Goals, which were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity.

PROGRAM BRIEF:

- This event bridges the gap between nature, the future and mankind through this event and serves the key purpose of spreading awareness among the future leaders of the world; aka - us. We find the burdensome task of reversing decades of pollution and mistreatment of Mother nature in our hands.
- The program incorporated 17 events like Quiz, Vision board, Elocution, Comic making, Balancing act, Recipe making, Incredibowl, Reel making, Digital poster, Product Plan, Panel Discussion, Photography, Monoacting, Slogan writing, RJ script, JAM, and video making.

PROGRAM OUTCOME:

The event served as an eye opener on UN sustainable goals for both the participants and the organizers.

PROGRAMME OBJECTIVE:

- This event was based on the UN agenda of Sustainable Development which was adopted in the year 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity.
- The UN day fest was conducted for the honourable chief guest H.E Ambassador T.S TIRUMURTI to deliver the UN day address, announce the winners and give away the prizes.

PROGRAMME BRIEF:

The event began with the invocation song which was then followed by the MOP anthem. Following this, the welcome address was delivered by Aakrithi Damani Prime Minister of the Student cabinet, 2021-22. Then the event kick-started with an Audio-visual report of the two-day event. Later, the Chief guest for the day, T.S Tirumurti addressed the gathering with informative data and insights on the UN agenda of Sustainable Development which was adopted in the year 2015. An interactive question and answer session was then conducted where the members of the ministry as well as the audience shot their questions at the chief guest who answered each and every question with utmost enthusiasm and patience. Finally, the event ended with the vote of thanks was delivered by Shriyaa Shivraman, Deputy Prime Minister, Student cabinet 2020-21.

PROGRAMME OUTCOMES:

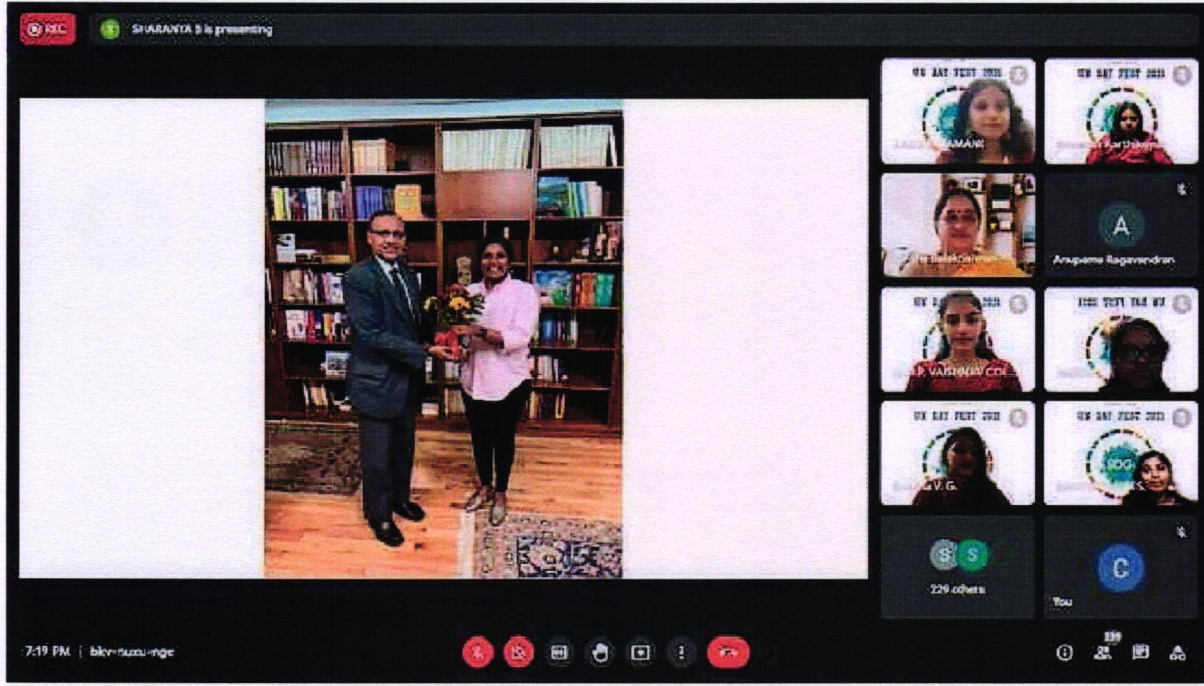

- The gathering was informed by the Chief guest regarding sustainable development, which happens to be the need of the hour.
- The winners were officially announced and their submissions were displayed to the audience.
