2019 - 2020

Annual Number - XXVIII

From the Editor's Desk

It is always a pleasure to look back with pride on the year gone by, and relive the memories. From our new vantage point behind a computer screen at home, this exercise is rendered all the sweeter.

2019-20 was another stellar year in the annals of M.O.P. We received strong affirmation of our focus on the holistic development of students, when, in January 2020, we were awarded the 'Best Higher Educational Institution' award, which I dhad the privilege of receiving from the Honourable Chief Minister of Tamil Nadu, Thiru.Edappadi K Palaniswami.

Academic performance is important, no doubt, but we have always believed that well-rounded education means so much more than A-pluses on a grade transcript. A value that we spend a lot of time and effort inculcating is social responsibility. Last year, M.O.P. set out on a campaign to help women in rural or semi-rural areas upskill themselves in various revenue-generating areas so that they could embark on a path of self-sufficiency. Simple but marketable skills such as making agarbathis, jute bags, chaat and beverages were imparted at these sessions in as many as 15 villages under the college's year-long campaign, Thozhil Seyyalaam Thozhi. It is my hope that these initiatives have stood the beneficiaries in good stead in troubled times.

As for co-curricular initiatives, we constantly seek opportunities to forge international partnerships so as to give our students exposure to global study and work culture. This past academic year, 14 students from the School of Business visited the Manning School of Business at the University of Massachusetts, Lowell, in the United States, for a course on Digital Marketing and International Business Strategy. We were also proud to send our student, Sowparnika J, to pursue a semester abroad at the College of Liberal Arts, University of Juniata, Pennsylvania.

March 5th, 2020 was a red-letter day for M.O.P. The campus was agog with excitement as we hosted Padma Bhushan Mr. A. R. Rahman for the evening. To my mind, the day is not far when a similar buzz will follow the other stars of the evening – the nominees and winners of the M.O.P. Yuva Sammaan Awards, our annual effort to encourage and support young women achievers in their chosen field.

Looking back is a reminder of our legacy of women's empowerment, which motivates us to look ahead with hope and resolve. It is a reminder to stay committed to our goals and build on the successes of the past. For me, what stands out most from the events of 2019-20 is our effort to look out for our fellow human beings. May we never lose sight of that.
