Ashoka University

Shrividhya J

Dear Shrividhya Janarthanan,

Congratulations on your selection to the 11th cohort of the Young India Fellowship (YIF) – the Class of 2022!

On your acceptance of our offer, you will join a distinctive group of about 200 young individuals, from diverse academic, professional, socio-economic and geographic backgrounds, whom we are proud to guide and support on their journey to significant leadership positions in India and the world.

I believe that the YIF will help you evolve personally and professionally, through a year-long immersion in a world-class learning environment. The programme will give you the opportunity to engage with a range of courses across domains and disciplines, taught by some of the most inspiring and accomplished faculty from India and around the globe. The Critical Writing course will enhance your ability to think critically and write effectively, while the Experiential Learning Module (ELM) will allow you to work collaboratively on real-world problems. As you go through the year at the YIF, it is our hope that the engagement with your faculty, peers and mentors will help you better understand your strengths, and give shape to your aspirations.

On graduating from the programme, you will be awarded a postgraduate diploma in Liberal Studies from Ashoka University. Fellows also have the option to apply for an additional year of study and pursue a postgraduate Master of Arts degree in Liberal Studies, or explore other opportunities through the Entrepreneur-in-Residence Programme or the Mother Teresa Fellowship for Social Impact. We also have a robust Career Development Office that will support you in finding meaningful work opportunities, should you wish to opt for campus placements. You will also receive guidance and support in case you wish to study further and pursue a postgraduate or doctoral education. In all of this, you will have the support of the Ashoka community, which includes our alumni.

It promises to be an exciting year ahead, beginning with an Orientation Week starting in early August 2022, where you will get the opportunity to interact with your classmates and other stakeholders of the YIF and Ashoka University. Until then, the Office of YIF Admissions will be your point of engagement, and you will continue to hear from them as they organise forums to help you make this decision, to engage with others who aspire to join the programme, and more.

I look forward to seeing you on the beautiful Ashoka University campus as soon as circumstances allow, and to the beginning of another rich and meaningful year at the Young India Fellowship.

With Regards,

Anisha Brar  
Dean, The Young India Fellowship
