COE MANUAL

M.O.P. VAISHNAV COLLEGE FOR WOMEN (AUTONOMOUS), CHENNAI – 600 034.

Affiliated to University of Madras

Introduction

The Office of the Controller of Examinations was established in accordance to the UGC Regulations for Autonomous Institutions in the year 2004 after the college was conferred the autonomy status. The institution is affiliated to the University of Madras and adheres to the norms prescribed by the University relating to Choice Based Credit System (CBCS), the computation of Grade Point Average (GPA), Cumulative Grade Point Average (CGPA), and the ten point Grading Scale. The CBCS was adopted in 2004 since autonomy.

The 'autonomous' status grants the institution a considerable degree of flexibility with regard to the introduction of new courses, Value added courses, Diploma courses, revision of existing courses through enrichment of the curriculum, methodology of evaluation which are exercised after being approved by the Board of Studies and the Academic council.

Conduct of Board of Studies, Academic Council, Finance Committee and Governing Body Meetings

Each department constitutes the Board of Studies as per the UGC regulations for Autonomous Institutions. Regular Meetings of the Academic Council, Finance Committee and Governing Body are held.

MISSION:

To ensure quality sustenance in the evaluation process imbibing the principles of transparency, validity, accountability, timeliness, efficiency and effectiveness contributing to the attainment of the mission and vision of the College.

The college offers 15 UG and 8 PG academic programmes. The prime responsibility of planning and conducting both Continuous Assessment Examinations and End Semester Examinations for all UG and PG academic programmes is executed by the COE office in a centralised, systematic and transparent manner. Examinations are planned as per the academic calendar released in the beginning of the academic year. The COE reports to Principal and is assisted by the Additional

Student not satisfied with their examination score can apply for revaluation within a period of 15 days from the date of declaration of results. Current and prior batches students submit their request/application/queries at the COE office which would be addressed by the COE office within a reasonable time. During the COVID-19 and resultant lockdown all queries relating to grade sheets, transcripts, duplicate grade sheet etc. were sent by mail to COE office which were addressed online.

Storage and Disposal (e-waste – ITC):

Answer scripts of students are preserved for six months and later disposed to ITC along with other used papers under Wellbeing Out of Waste (WOW), a National Recycling initiative taking into account eco-friendly practices.

Online Examinations due to the Pandemic Covid -19 and consequent Lockdown:

Several initiatives were launched from April 2020 to face the risks and challenges stemming from the pandemic Covid-19. Examinations were held online through G-Suite platform with Video Monitoring. All existing guidelines relating to examinations were revised and new guidelines were framed to conduct examinations online. April 2020, November 2020 and April 2021 examinations were conducted online. Valuations of answer scripts, Scrutiny of the evaluated answer scripts were also completed online. All communications relating to examinations were sent to Heads of the Departments and Students through Institutional E-Mail IDs, Whats app Groups and Website.

Revised guidelines for online Examinations:

Several initiatives were taken during Covid-19 pandemic when examination system went through a radical change from offline to online mode.

10. Types of Research design:
There are three types of Research design, they are.

- Exploratory research design
- Descriptive research design
- Causal research design.

For conducting the market research, I will adopt Descriptive Research. Because descriptive research design can be referred as scientist's method involving observing and describing the behaviour of the idea, without influencing it in any way.

It is mainly carried out when the research person wants to gain more knowledge about particular subjects. It is done to understand and observe the factors of the
