OFFICE OF THE CONTROLLER OF EXAMINATIONS

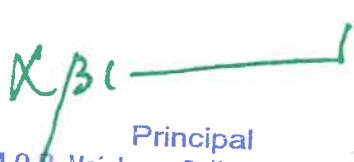

Annual Report

2022 – 2023

1. Introduction

M.O.P Vaishnav college for Women (Autonomous) is committed to the cause of empowering women through holistic education that would enrich their personality and groom them into academically proficient, self-reliant, culturally-rich, responsible and confident individuals.

The Office of the Controller of Examinations was established in accordance to the UGC Regulations for Autonomous Institutions in the year 2004 after the College was conferred the Autonomous status. The institution is also affiliated to the University of Madras and adheres to the norms prescribed by the University relating to Choice Based Credit System, (CBCS), the computation of Grade Point Average, (GPA), Cumulative Grade Point Average, (CGPA), and the Ten point Grading Scale. The CBCS was adopted in 2004 since Autonomy. The Degree would be awarded by the University of Madras on completion of the Programme.

The ‘Autonomous’ status grants the institution a considerable degree of flexibility with regard to the introduction of new courses, Value added courses, Diploma courses, MOOC courses, revision of existing courses through

Conduct of Board of Studies, Academic Council, Finance Committee and Governing Body Meetings

Each Department constitutes the Board of Studies as per the UGC regulations for Autonomous Institutions. Regular Meetings of the Academic Council, Finance Committee and Governing Body are held.

2. MISSION:

To ensure quality sustenance in the evaluation process imbuing the principles of transparency, validity, accountability, timeliness, efficiency and effectiveness contributing to the attainment of the mission and vision of the College.

3. The COE Office is housed in the third floor of the Annexe Building and the key functions covers the following areas.

(1) Examinations: After the Board of Studies and Academic Council meetings, the Academic Dean forwards the list of courses along with the Syllabi. Course codes are framed for new courses for the preparation of the subject master. Communications are sent to the External examiners for Question paper setting and for Scrutiny of question papers. Time-table for examinations are communicated, condonation list, Hall-tickets, Attendance sheets, Foil cards and all other examination related documents are prepared for holding examinations. Central Valuation Camp and Passing Board is also planned.

(2) Data Entry: The COE staff maintains the soft copies of student data, right from entry level until completion of the course. The relevant data of the outgoing batches is forwarded to the University of Madras by entering student details in the UNOM Online Portal PPR (Permanent Pass Register). The graduate list and the Rank list for UG and PG is prepared year wise. The Provisional Certificate is issued by the University of Madras and the

soft copies are uploaded in their portal. The Degree Certificates are verified and collected from University of Madras to be issued to candidates on Annual Graduation Day. This office works along with an external partnering software agency, (outsourced since 2017), for all software applications and automation.

(3) Record Maintenance and Verification: Student academic records since 2004 are maintained in the form of hard bound registers. Applications relating to student verification are attended to by the staff by physically verifying the student data with the records. Transcripts are issued to students for their higher education abroad after proper verification of the students records.

(4) Finance Section: Proper records are maintained for the Honorarium and remuneration paid for all examination related services.

(5) Student Grievance and Enquiry Section: Students not satisfied with their examination score can apply for revaluation within a period of 15 days from the date of declaration of results. Current and prior batches students submit their request/application/queries at the COE office which would be addressed by the COE office within a reasonable time.

(6) Storage and Disposal (e-waste – ITC): Answer scripts of students are preserved for six months and later disposed to ITC along with other used papers under Wellbeing Out of Waste (WOW), a National Recycling initiative taking into account eco friendly practices.

The College offers 17 UG and 8 PG academic programmes and Research Programmes in the Departments of Commerce, Communication and Media Studies. The prime responsibility of planning and conducting both Continuous Assessment Examination and End Semester Examination for all UG and PG academic programmes is executed by the COE office in a centralised, systematic and transparent manner. Examinations are planned as per the academic calendar released in the beginning of the academic

year. The COE reports to Principal and is assisted by Supporting staff. The COE office is fully automated and is provided with necessary infrastructure for its effective functioning.

The COE prepares the schedule of Examination related activities from time to time which are periodically communicated to the Heads of the Department and students through Circulars, Institutional email ids, WhatsApp groups and website. The COE Office annual report provides a comprehensive overview of the activities of the COE office.

The Odd semester examinations were conducted in October / November 2022 in the College Campus and Even semester examinations were conducted in the month March / April 2023. Practical examinations were conducted by the Departments in a decentralised manner and the foil cards and attendance sheets were submitted to the COE Office on completion of the practical examinations.

4. Initiative Drive

Some of the initiatives taken were

1. Conduct of Practical Examinations by the Departments in a decentralised manner.
1. Preparation and adherence to academic calendar and COE office calendar.
2. PO's /PSO's /CO's attainment for all courses of various UG / PG programmes were computed through software and Heads of various programmes planned their future objectives and actions accordingly.
3. Continuous Internal Assessment tests and its valuation was completed in the College campus.
4. Course in lieu of Internship was introduced to students to facilitate acquisition of additional credits.
5. Open book assessment and evaluation of answer scripts based on rubrics for internal assessment was initiated.

6. Maintenance of online examiner module and regular update of examination data base Programme wise.
7. Usage of ICT at COE office for generation of all reports relating to examination and evaluation.
