

PROSPECTUS

POST GRADUATE PROGRAMME OF PUBLIC POLICY

M. A. PUBLIC POLICY

The two-year Post Graduate Programme of Public Policy at M.O.P. Vaishnav College for Women aims to provide a platform to train students in policy-making by moulding ethical professionals who are equipped to navigate complex global situations. This course prepares students for careers in policymaking, providing consultancies, policy analysis, and public leadership. Together with personalized support from leading experts, the programme intends to impart skills in interdisciplinary fields of learning and collaborative research in Public Policy and Governance.

PROGRAMME SPECIFIC OUTCOMES

PSO1	Demonstrate an understanding of the various concepts of Public Policy, Public Administration, Gender dynamics, Environment and Governance.
PSO2	Examine the various issues related to public policy formulation, policy analysis and explore measures to overcome them through the understanding of Law and Judiciary.
PSO3	Appraise the social and cultural dimensions of the Indian society to assist in the policy framework cycle
PSO4	Inculcate competitive skills for academic proficiency, employability and ability to succeed in competitive examinations at national and international level.
PSO5	Exhibit ability to establish as public policy analysts, research associates, diplomats and independent entrepreneurs with overall understanding of policy making with national and international collaborative learning.
