TEACHING PEDAGOGIES

The faculties of the B.Com Honours programme adopt innovative teaching methods that include case study analysis, simulation, and role play which the students can apply to real world business scenarios, along with the traditional teaching methods such as lecture-based discourses and problem solving in classrooms.

GUEST LECTURE

The B.Com Honours Programme organizes series of Guest Lectures that are built into the programme curriculum for training and sharing in-depth and practical knowledge on various courses to facilitate students to succeed in the CA Professional Examinations. The Guest faculties are practicing professionals who guide and train students in advanced concepts and case study analysis.

SPECIALIZED CERTIFICATE COURSES

To enable the students to stay a step ahead in the competitive professional environment the Programme offers specialized technical certificate courses which include

- Forensic Audit
- Financial Modeling
- The Insolvency and Bankruptcy Code
- Search Engine Optimization
- Block Chain Application in Accounting- Triple Entry Accounting

ESPRIT CLUB ACTIVITIES

To enable holistic development, the B.Com Honours Programme organises Club Activities under its banner - Esprit. A plethora of events that bring out the organizing, team working, communication, event management and leadership skills of the students is organised. Events like Stress Interview, Business Plan, Brand Revival, Potpourri, Lawyer's Up and Jingle Making are organised to bring out the latent talents and creativity of the students and help them to think out of the box.

HORIZON 360 CLUB ACTIVITIES

Under Horizon Club, the Programme hosts workshops, seminars and career counselling sessions specific to its students. The workshop includes training on entrepreneurship, training for making career choices and discourses with experts and NPL coaches which help students to gain insights on non-scholastic aspects of the curriculum.

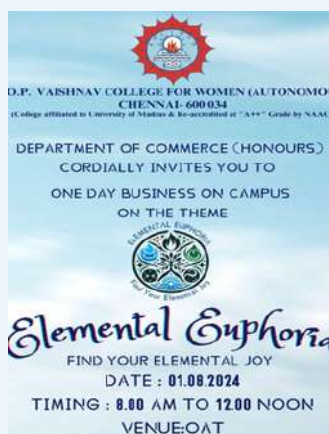

BUSINESS ON CAMPUS

The B.Com Honours programme holds an annual entrepreneurial fiesta for its students to explore and exhibit their entrepreneurial skills. The students set up diverse booths to sell products and services including food, gift articles, apparel, gaming booths and photo shops.

The theme for the year 2024-2025 was '*Elemental Emphoria*' with booths that sold various articles, food & beverages and games based on the 5 elements. Students had interactive sessions for appraising their performance and analysing the factors that contributed to their financial success or failure

ADORIA- STUDENTS JOURNAL

The B.Com Honours Programme releases students' journal ADORIA: Pathway to Glory, annually on varied themes ranging and including leadership, digitalization, technology in businesses. These journals bring to fore the communication, research, team building, writing and presentation competencies of the students.

Themes of Journal

- **2021-2022** issue was titled '*Business Analytics*' which focused on proliferation of information technology in analytics and its contribution towards guiding business.
- **2022-2023** issue was titled '*Business Ethics*' which focused on ethical principles and its importance in the business environment.
- **2023-2024** issue was titled '*AI in Finance & Fintech*' which focused on influx of AI in the finance sector
- **2024-2025** issue was titled '*Financial Literacy*' which focused on smart savings and investment for retirement benefits and more.

INDUSTRIAL VISIT

To gain the much-needed practical exposure and first-hand information on the nuances and challenges faced by industries, regular industrial visits are organized for the students of B.Com Honours

OUTREACH ACTIVITIES

The B.Com Honours Programme has always instilled a sound value system in its students through meaningful contributions to society with compassion. The students have made significant contribution in terms of their time and resources to social causes.
