College Day Report

"Be the change you wish to see in the world."

— Mahatma Gandhi

Year of Parivarthan

M.O.P. students have always been change agents in the world around them. Recognising this, M.O.P. Vaishnav declared this year the 'Year of Parivarthan,' or 'positive change.' Once again, students stepped beyond the boundaries of the campus and into the lives of those who needed them most, becoming catalysts of change in communities that rarely receive sustained, meaningful attention.

Parivarthan is not an idea that announces itself with grand gestures. It takes root quietly, in the moment a young woman learns to code for the first time, or discovers that she can run her own enterprise, or simply finds the words in English to express what she has always known. It is visible in the child who now understands what she eats and why it matters, and in the mind that recognises, for perhaps the first time, that its own health deserves care and attention.

The outreach activities of M.O.P. Vaishnav have always been anchored in a firm belief that the most enduring gift one can offer another person is not something they can hold in their hands, but something they can carry forward in their minds. This year, that belief was translated into action across a wide spectrum of initiatives – from digital literacy and entrepreneurship to spoken English, economic awareness, and creative skill-building.

The College has long understood that education, when it is truly alive, does not stay contained within those who receive it. It moves outward, transforming not only the individual, but also the world around her. In choosing Parivarthan as its theme, the College asked its students to be living proof of that truth – to demonstrate, through their service, that the hours dedicated to value education within these walls are not just a person-building exercise, but the blueprint for a better world through personal and community action.

Highlights

Commemorating World Mental Health Day 2025, a program was organized on October 10, 2025, on the theme **"Access to Services: Mental Health in Catastrophes and Emergencies."** The event commenced with keynote addresses by institutional dignitaries and the Chief Guest, Mr. Mohan Raman, actor, who highlighted the role of cinema in shaping mental health awareness. A major highlight of the event was the official launch of a new academic course, **"Integrative Case Formulation in Therapeutic Practice,"** by Dr. Gauthamadas, MD, Neuropsychiatrist and Founder of Doc Gautham's Neuro Center, aimed at enhancing clinical skills. A technical panel discussion on crisis intervention and cultural myths was also conducted, followed by a collective mental health pledge.

On September 3, 2025, a cohort of sixteen dedicated students successfully participated in a prestigious national-level masterclass. Conducted online, this specialized academic program was organized by the iSTEP High Achievers Program in global partnership with the University of Melbourne. The participating students, representing a committed group of aspiring professionals, engaged with advanced international curriculum standards, significantly broadening their academic horizons and fostering global competencies in their field of study.

During the academic year, the department strengthened its commitment to holistic growth by signing landmark MoUs with four trailblazing organizations. From professional guidance through iSTEP Mentors, Delhi, and community empowerment through Thunai NGO, Chennai, to systemic outreach through Empowering Communities Through Education (ECTE), Chennai, and essential wellness training through Mental Health First Aid India, Chennai, these partnerships ensure that students graduate not only with a degree in hand but also with a passion for making a difference.

International Digital Marketing Day

The Kotlerz Klan student club of B.Com. Marketing Management commemorated International Digital Marketing Day on 16 December 2025, by organising a special lecture on the theme "Ethics for Young Marketers: Being Responsible Creators in a Digital-First Economy." The session was delivered by our Star Alumna, Ms. Khushi Agarwal, Digital Marketer and Founder – B2Boutbox (B.Com. MM, Batch 2018–2021), who shared valuable insights on ethical responsibility, digital accountability, and mindful content creation in today's phygital landscape. Adding significance to the occasion, the cover page of the Bi-Decennial Edition of Publicité, the student journal, was formally released on the theme "Phygital Marketing," marking a milestone moment in celebrating 20 years of academic and creative excellence.

Bi-Decennial Alumni Meet

The Bi-Decennial Alumni Meet of B.Com. Marketing Management celebrated on March 1, 2026, brought together memories, milestones, and moments that reminded us why this programme will always feel like home. Laughter echoed through familiar corridors, stories flowed across generations, and bonds were rekindled as we celebrated 20 glorious years with 75 alumni attending the event. A proud highlight of the day was the honouring of 25 distinguished alumnae for their inspiring journeys and achievements, along with a heartfelt tribute to 13 former faculty members and programme heads, our guiding lights who shaped generations of marketers. From soulful performances and the release of the Bi-Decennial Yearbook to joyful reunions, cake cutting, and timeless frames, every moment was filled with warmth, gratitude, and celebration.

PROGRAMME HIGHLIGHTS

- The Department of Commerce, B. Com Corporate Secretaryship, celebrated its 30 years of academic excellence. This three-decade journey was marked by the official launch of a commemorative logo, symbolising the programme's enduring legacy of merit and achievement. The logo features our mascot Vidhya holding a trophy, representing empowerment, success and the vibrant spirit that continues to define the programme.
- The tri-decennial celebrations bridged generations through the "Talks that Inspire" series, featuring 30 distinguished alumni. A key highlight was an Alumni Panel Discussion titled "Stories of Change: How M.O.P. Changed their Lives," where six prominent graduates discussed how the institution's rigorous grooming catalyzed their professional success.
- Beyond the campus, the programme prioritized social impact. A "Legal Literacy Drive" educated the public via online quizzes. Extending its focus beyond academics, the programme organized a free medical camp with essential health screenings in association with THANC Hospitals. These year-long celebrations culminated in a "Mega Alumni Meet" this February, focusing on nostalgia and professional networking.

Parivarthan

The Department of Commerce, B.Com Corporate Secretaryship, launched its annual community outreach programme "Shiksha Parivarthan" in July 2025 for students of Grades VI to XII at Assumptions Higher Secondary School, Nungambakkam. The initiative involved student volunteers providing academic support, communication and spoken English training, and board exam guidance, along with assistance in school activities. As part of the programme, a medical camp was conducted in association with THANC Hospitals, and students were also supported during the Annual Day celebrations. The initiative concluded with a valedictory function, distributing stationery and refreshments, marking a year of holistic service and student engagement.

Parivarthan Activity

This year, students undertook an extension activity at an after-school service centre named “YEIN UDAAN” located in Chetpet, Chennai. The outreach activity focused on developing Communication Skills, Self-Love and Teamwork among the children.

Through interactive sessions, games and discussions, the students encouraged the children to express themselves confidently, understand the importance of self-respect and develop a positive mindset. Activities promoting teamwork helped the children learn cooperation, mutual support and effective collaboration with their peers. The students also gained valuable experience in engaging with young learners and understanding how to communicate ideas effectively in a simple and encouraging manner. This activity helped both the volunteers and the children develop confidence, positivity and stronger interpersonal skills.

Madras Day Celebrations

The Department of English organised a vibrant series of events to commemorate Madras Day on 25 August, 2025, celebrating Chennai's heritage through creativity and cultural engagement. The online competitions included Reel Making, Jingle Writing, and Letters to Madras, while the offline events featured Street Theatre and Cosplay. The events were judged by Mr. Yogan (Project Manager, Maayasthra & Theatre Artist) and Mr. Nitish BC (Model & Actor), who appreciated the participants' efforts and performances.

The celebration also featured two Madras Day Talks: *The Origin of Maps and Time in India* by Mr. Siva Sankar Babu and *What Inscriptions Tell Us* by Mr. Ravishankar Thyagarajan, both Heritage Awareness Speakers from the Tamil Heritage Trust. The sessions offered valuable insights into cartography, surveys, and inscriptions, fostering historical awareness and civic pride among students.

Binge-con

The Department of English successfully organised an intramural activity featuring a series of innovative sitcom-themed competitions, offering students an engaging alternative to conventional literary events. The programme included creatively curated events such as *Modern Family Feud*, *The One with the F.R.I.E.N.D.S*, *Sitcom Shuffle*, and *The Last Player*. Each event blended entertainment with critical thinking, collaboration, and creativity through interactive elements such as life-sized ludo, puzzles, imaginative reinterpretations of sitcom endings, and local adaptations of popular sitcom scenes.

These activities encouraged participants to reinterpret familiar narratives within contemporary and cultural contexts, thereby fostering originality and teamwork. Around 10–20 teams participated in each event, reflecting enthusiastic student involvement. The competitions were evaluated by judges based on creativity, presentation, teamwork, and conceptual clarity. The programme concluded with a Valedictory Session, during which winners were awarded prizes in recognition of their outstanding performances. Overall, the event created a vibrant and collaborative learning environment.
